

Compliance Contacts

When members of the College community need clarification on a policy or wish to express concerns, their first step should be their direct supervisor (for employees) or Student Affairs (for students). However, if a supervisor cannot serve as a resource, the contacts below may be helpful.

For more information on the College's compliance program, or to learn more about methods for reporting compliance concerns, visit stlcop.edu/compliance.

| RESOURCE | INFORMATION |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Human Resources | |
